

SCHOOL AGE SUMMER PROGRAM

- ✓ Are you looking for a quality summer program for your child?
- ✓ A program that is not just about sports but also incorporates academics?
- ✓ A place that your child will learn something new every day while still having fun?
- ✓ A place where your child doesn't get lost in the shuffle with a huge group of kids and varying ages of 5-13?
- ✓ A place with longer hours that are reasonable for working parents and not just 9-3?

According to 39 recent studies, “summer learning loss equaled at least one month of instruction and possibly up to 3 months of loss. On average, children’s achievement test scores were at least one month lower than when they returned to school in the fall than when students left in spring”. This can have a lasting impact on their educational development.

We offer a summer program for school age children aged 8 through 13 years of age with a very challenging curriculum incorporating all areas of learning including but not limited to math, science, technology, arts, writing, reading, outdoors, field trips, and more!

We focus our attention on each and every child and we’re different than all the other summer programs and camps out there! We keep our program to no more than 18 students with 2 teachers so your child can have lots of one on one attention!!

Our summer program is a full day program operating from 8:30am – 5:30pm for ages 8 through 13 years old. The program will run from Monday, June 25, 2017 through Friday, August 17, 2017.

We will be providing your child with breakfast, lunch, afternoon snack and all drinks included in your tuition. Also included in the cost of the tuition will be all field trips, fees, transportation to field trips and special visitors. We offer Monday through Friday, MWF and T,Th options for attendance. Drop off is between 8:30am-9am and you can pick up anytime before 5:30pm. Sibling discounts are also offered.

Call or email us for more information.
